

NAWF ABDULLAH

Student

PROFILE

I am a dedicated and ambitious individual, currently pursuing a degree in Artificial Intelligence with an expected completion date in 2026. At the age of 19, I have already gained a wealth of experience in software development, specializing in Python, JavaScript, React, HTML, CSS, and Flutter. Additionally, I am well-versed in web frameworks like Express.js and Flask, as well as automation tools such as Selenium. My passion for AI, coupled with my expertise in software development, makes me a dynamic and forward-thinking professional ready to contribute to innovative projects in the technology industry.
